

NEW PRODUCT RELEASE

Deluxe Trike Cover

Rice Lake, WI – Big Bike Parts® not only lead the way when it introduced Trike Covers 10 years ago, it continues to deliver the best valued covers in the market. UltraGard covers have become synonymous with quality and have earned the reputation as the market leader. Their tailor fit designs are constructed of water resistant polyurethane coated polyester providing excellent protection against weather, dirt, pollution and prying eyes. Their UV stabilized material maximizes life and minimizes color fade from sun exposure. Heat Shield protection with double stitched, four-fold interlocking seams provide unmatched durability and a weather tight closure. Softek windshield liners and antenna wear pads insure your ride is protected long after your cover it. UltraGard's latest change to its best selling Trike Cover is adding its top seller, black over charcoal color combination for 2010. With a retail price of only \$75.95 and a 5 year prorated warranty, it is no surprise UltraGard is the best value product to product, cost for cost.
