

NEW PRODUCT RELEASE

New Hidden Mount

Rice Lake, WI – Big Bike Parts® has updated its popular VTX1800 Radiator Grilles to not only fit all model years, but also a new mounting bracket. The new hidden mount eliminates the two recessed mounting holes in the lower chin, making the chrome brighter and cleaner. Manufactured of steel and Show Chrome Accessories® trim chrome plated, these Mesh and Celestar Style Radiator Grilles are a must have Honda VTX1800 accessory. The radiator grille simply bolts on with supplied hardware, making installation easy. Step up the look of your Honda VTX1800 with a Show Chrome Accessories® Radiator Grille.

For Honda VTX1800 2002-09
